

VENUE: GORDON'S SCHOOL INDOOR FACILITIES  
DATE: DECEMBER 2020  
COMPLETED BY: CLARE SEDDON – LEAD COVID OFFICER FOR COBHAM NETBALL CLUB

## **RISK ASSESMENT**

What are the Hazards:- The spread of Covid 19

Who Might be Affected: Players, Coaches, Spectators

Controls Required:

### **Promoting Good Hygiene**

- Provide sanitizer, wipes and antibacterial spray
- Ensure toilet facilities have adequate hand washing facilities
- All players/coaches to be shown where the toilets are and also where the sanitizers are located
- Players/coaches expected to wash/sanitise their hands when:-
  - o They arrive at the facility
  - o If they cough or sneeze into their hands
  - o If they blow their nose
  - o After using the toilet
- Tissues will be available at sanitizer station to ensure good respiratory hygiene ie. Catch it, bag it, bin it approach
- Waste facilities for used tissues/wipes will be supplied and disposed of in a controlled manner

Additional Controls:

All Lead and assistant coaches will set up for the session and ensure that the sanitisers/wipes/tissues are available

Coaches/assistant coaches check that the stations are fully stocked

Coaches will sanction any player who deliberately coughs or spits at another person

### **Keeping Facilities/Equipment Clean:**

Balls and posts will be cleaned thoroughly supervised by the Covid Officer/s

Only essential equipment will be used during a session to limit the amount of cross contamination

No swapping or changing equipment unless instructed by Covid officer or coach who will put into place the cleaning protocols

No paperwork during the training session will be handed around

Everyone will be instructed to limit the amount of personal belongings brought to a session, these will be placed in set areas, so no player will be able to touch other players belongings eg water bottles, coats etc.

Waste facilities will be provided for the used tissues/wipes and disposed of in a controlled manner

No bib sharing at all

#### Additional Controls

Coaches/assistant coaches will check the cleaning has taken place as planned

All used equipment will be thoroughly cleaned by coaches/assistant coaches after a session

#### **Maintaining Social Distancing and Avoiding Congestion**

Signage to be provided to remind everyone

All players will be placed into 2 bubbles, bubbles will train a different times indoors to ensure numbers and foot fall is kept to a minimum and no more than 30 people at one session

Coaches will ensure that inside players can work in groups of 6 maximum but no match play

No person must enter another sessions bubble at any time before, during or after a session apart from the Covid Officer

Players must not enter a training area unless instructed by the Covid officer or coaches

There will be no social contact during the session at all e.g hand shaking, high fives etc

#### Additional Controls

The coaches and Covid officer will monitor the rule of social distancing

Coaches/Covid officer will sanction any player who is deliberately or repeatedly breach social distancing rules

#### **Personal Health**

Players should do the self-health checks before attending any training session, temperature should be taken before attending any training session too.

Doors within the inside facility will be kept open wherever possible to allow for good ventilation.

Doors will be kept open so that no player shall touch any door a leading into the courts. If a player touches a door handle ie when they use the toilet they must sanitise immediately.

If a player or coach feels unwell during the session they must advise the coach/Covid officer immediately.

Anyone with any potential symptoms should not come to the session.

Track and trace system will be in place at every session this information will be collated by the Covid officer and held in line with GDPR.

Masks and gloves will be worn by any player or coach administering any form of first aid.

First Aiders will be identified at each session and all first aiders will be logged with the Covid Officer.

Gordons school have had no confirmed cases of Covid 19 and it is an extremely secure Covid safe indoor facility.
